

**Asunto:** Partner search - Croatia

Dear colleagues,

"Enter Koprivnica Ltd is searching for project partners to cooperate in the framework of the 1st call of Interreg Europe programme.

Please find attached more information about their organisation.

Please, send this information, to relevant PPs from your countries.

"Enter Koprivnica Ltd. <https://www.enterkoprivnica.hr/> is a business support organisation whose role is stimulating the entrepreneurial climate in the city of Koprivnica and creating conditions for easier growth and development of newly established companies.

Among others we are currently implementing several Interreg projects. RegionArts (Interreg Europe, <https://www.interregeurope.eu/regionarts/>) about ICT and ART multisector collaboration, EIS 2 (Interreg Europe, <https://www.interregeurope.eu/eis/>) about creating a framework for the internationalization of business, ECOS4IN (Interreg Central Europe, <https://www.interreg-central.eu/Content.Node/ECOS4IN.html>) that seeks to strengthen Industry 4.0 by introducing digitalisation into production processes and operations, ScaleSMEs (ERASMUS+<https://www.facebook.com/SCALESMESERASMUS/>) through which partners want to develop specific training tools aimed at supporting people working in CCI sectors to improve their competences and skills.

We are also managing two incubators - Business Incubator and Creative Industries Incubator. Our goal is to stimulate digitization, innovative business models, to set up innovative SMEs and Start-ups, stimulate multisector collaboration and enhanced CCI sector in our region. We would be glad to collaborate with those aiming the same goals.

Due to our current staff capacity we do not have capacities to take the leading role, but we see us also as partner that can help develop project ideas, especially in sector of creative industries, SMEs digitalization and internationalization.

If you are looking for a partner that fits to our profile, please feel free to contact us.

Thank you,  
Mateja Horvat "
