

Interreg Europe 2021-2027***Partner Search Form for Polish institutions***

Interreg Europe programme invites public authorities and institutions as well as relevant private non-profit bodies with legal personality from UE-27, Norway and Switzerland. [Information on the programme](#). [Information on the programme in Polish](#).

The Partner Search Form is an additional support measure for the Polish institutions, complementing the online tool offered by the Interreg Europe 2021-2027 programme. We strongly recommend using both instruments. Before sending this Form, please check '[Meet the community](#)'. Maybe your future partners are already waiting for you there!

An important note

Before filling in this Form please read [The application pack](#).

If you have questions, you may contact the Interreg Europe National Point of Contact in the Ministry of Development Funds and Regional Policy (Anna Stol, 22 273 81 76, IE@mfipr.gov.pl).

<p>b) We are interested in the following project topic(s)</p>	<p>We would like to invite the lead partner and other partners to cooperate on the project: EmPoSET – “Employment policies for antifragility labour market - Towards sustainable energy transitions”</p> <p>The aim of the project is implementation / improvement regional policy instruments in the field of communication strategies, including raising public awareness, improving communication models between public authorities and society, social education on a just energy transition.</p> <p>The objective will be achieved through the development of model solutions, identification and transfer of good practices related to communication strategies. The results of the project will be developed within the framework of interregional cooperation.</p> <p>Thematic focus of the project will include the issues of strengthening labour markets, development of new labour markets, including the possibility of retraining employees from “redundant” sectors to newly emerging sectors, including offshore wind energy and renewable energy, and promoting the employment of women in the energy sectors in the face of complex transformation challenges.</p>
<p>c) We could focus on the following policy instrument</p> <p>Please remember that the thematic scope of the policy instrument (or a part of it) must be thematically adequate to the project’s subject.</p> <p><u>Examples of policy instruments:</u></p>	<p>The idea fits to:</p> <p>Policy Objective: More social Europe</p> <p>The Specific Objective: Effectiveness and inclusiveness of labour market, access to quality employment, social economy</p> <p>We could focus on the following policy instruments:</p>

<p>low carbon economy plan, development strategy, regional innovation strategy, plan/strategy related to e.g. tourism or other issues, regional operational programme, national operational programme, local law, integrated territorial investments, community-led local development etc.</p>	<ol style="list-style-type: none"> 1. Regional Innovation Strategy – responsible for the policy is the Marshal’s Office for Pomeranian Voivodeship 2. Polish Offshore Wind Sector Deal – responsible for the policy is Ministry of Climate and Environment.
<p>d) This policy instrument is ‘Investment for Jobs and Growth’ programme It is either regional or national operational programme 2021-2027, implemented in Poland by Polish Managing Authority, i.e. Marshal Office on regional level, and Ministry of Development Funds and Regional Policy on national level.</p>	<p>We are looking for the partner responsible for the policy instrument which is ‘Investment for Jobs and Growth’ programme</p>
<p>e) We <u>are</u> responsible for this policy instrument Please describe whether your institution is in charge of development and/or implementation of the selected policy instrument, is acting as Managing Authority of regional programme etc.</p> <p>If not: W. Indicate the name of this institution.</p>	<p>Our institution is not in charge of development and implementation the policy instruments. Marshal’s Office for Pomeranian Voivodeship and Ministry of Climate and Environment will be involved as ‘associated policy authorities’. As for the Polish Offshore Wind Sector Deal, the University of Gdańsk is one of the signatories of the Deal. The Deal covers six key areas for implementation of strategic objectives of the Deal. The Key area no 5 is “Social education”.</p> <p>The Director of the Centre for Sustainable Development of the University of Gdansk has been appointed by the Ministry of Climate and Environment - Government Plenipotentiary for Renewable Energy Sources to serve as a member of the Offshore Wind Coordination Council of the Offshore Sectoral Deal in Poland and as the Lead Coordinator of the working group</p>

	established for the key area no. 5 "Social Education".
--	--

2.3 I could be an advisory partner

Advisory partners do not themselves address a policy instrument. They participate in the project in order to offer a particular capability that can help the project achieve its goals. For example, this may be the case of an academic institution specialised in either the topic tackled by the project or in the exchange of experience process.

	<u>Information for potential partners</u>
a) Field of specialisation	
b) Description of the professional background of my institution in this field	
c) Achievements in this field + links to the website(s)	
d) International cooperation in this field + links to the website(s)	
e) Other information you would like to pass
